

## Bedgebury Pinetum – Fungi Species List - 17 October 2013

SCIENTIFIC NAME	COMMON NAME
<i>Amanita citrina</i>	False Death Cap
<i>A. citrina</i> var <i>alba</i>	ō (white form)
<i>A. muscaria</i>	Fly Agaric
<i>A. rubescens</i>	The Blusher
<i>Armillaria mellea</i>	Honey Fungus
<i>A. ostoyae</i> ? (unconfirmed)	ō
<i>Boletus badius</i>	Bay Bolete
<i>B. edulis</i>	Cep/Penny Bun
<i>B. luridiformis</i>	Scarletina Bolete
<i>Calocera viscosa</i>	Yellow Stagshorn
<i>Chlorophyllum rachodes</i>	Shaggy Parasol
<i>Choiromyces meandriformis</i> ? (tbc)	(tbc)
<i>Clitocybe clavipes</i>	Club Foot
<i>Collybia butyracea</i>	Butter Cap
<i>C. peronata</i>	Wood Woolly Foot
<i>Coprinus atramentarius</i>	Common Inkcap
<i>Cortinarius anomalus</i>	Variable Webcap
<i>C. elatior</i>	Wrinkled Webcap
<i>C. violaceus</i>	Violet Webcap
<i>C. spp</i>	(various un-determined)
<i>Entoloma spp</i>	(various un-determined)
<i>Fistulina hepatica</i>	Beefsteak Fungus
<i>Ganoderma applanatum</i>	Artist's Fungus
<i>Geastrum pectinatum</i>	unattributed earthstar
<i>Hydnum repandum</i>	Wood Hedgehog
<i>Hygrocybe conica</i>	Blackening Waxcap
<i>Hygrophoropsis auarantiaca</i>	False Chanterelle
<i>Laccaria laccata</i>	The Deceiver
<i>Lactarius chrysorrheus</i>	Yellowdrop Milkcap
<i>L. deterrimus</i>	False Saffron Milkcap
<i>L. quietus</i>	Oakbug Milkcap
<i>L. rufus</i>	Rufous Milkcap
<i>L. turpis</i>	Ugly Milkcap
<i>Leccinum scabrum</i>	Brown Birch Bolete
<i>Lepiota cristata</i>	Stinking Dapperling
<i>Lycoperdon nigrescens</i>	Dusky Puffball
<i>L. perlatum</i>	Common Puffball
<i>Lyophyllum loricatum</i>	Clustered Domecap
<i>Mycena epipterygia</i>	Yellowleg Bonnet
<i>Paxillus involutus</i>	Brown Rollrim
<i>Phaeolus schweinitzii</i>	Dyer's Mazegill
<i>Pholiota highlandensis</i> ?(unconfirmed)	Bonfire Scalycap
<i>Ramaria stricta</i>	Upright Coral
<i>Rickenella fibula</i>	Orange Mosscap
<i>Russula anthracina</i>	unattributed Brittlegill
<i>R. caerulea</i>	Humpback Brittlegill
<i>R. nigricans</i>	Blackening Brittlegill
<i>R. parazurea</i>	Powdery Brittlegill
<i>R. puellaris</i>	Yellowing Brittlegill
<i>R. sanguinaria</i>	Bloody Brittlegill
<i>R. sardonina</i>	Primrose Brittlegill
<i>R. subfoetens</i>	Stinking Brittlegill
<i>R. turci</i>	unattributed Brittlegill
<i>Sparassis crispa</i>	Cauliflower Fungus

NB: Species were recorded on two separate walks following approximately the same circular route within the Pinetum
